Stonclad GS Mortar Stonkote GS4 Epoxy Gloss	

THE STONHARD DIFFERENCE

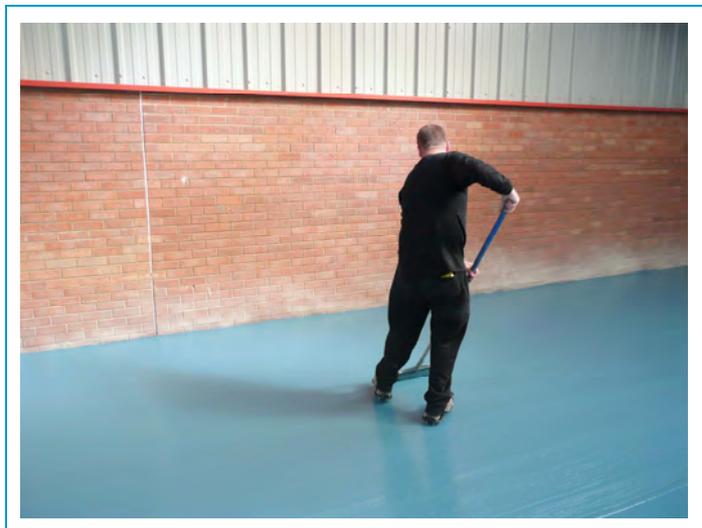

Stonhard is the world-leading manufacturer and installer of high performance polymer floor and lining systems designed for tough commercial and industrial environments. We deliver long lasting durable products to satisfy the most demanding design specifications and work with you from start to finish. You are protected with a single source warranty on both product and workmanship. Known around the world for excellence, the Stonhard name is synonymous with quality, performance and unmatched service.

Floor prepared by shot blasting to remove surface laitance and provide a strong bond for the mortar.

Stonclad mortar applied using a screed box and power trowelled to give a very compact mortar with an even finish and a short installation time.

Two coats of Stonkote epoxy coating applied with a squeegee and then rolled to give an even finish and texture.
